Dear cycling enthusiasts,

Starting from the picturesque city of Dresden, you will ride with us in guided cycling groups with an international participant field through charming landscapes and historic towns. Experience the vibrant culture of Chemnitz, the dynamic atmosphere of Leipzig, and the rich heritage of Wittenberg, where Martin Luther left his mark on history.

Along the way, enjoy the beauty of the countryside and the freedom of the open road.

With comfortable accommodations and scenic routes, this journey promises memories that will last a lifetime.

Don't miss the chance to explore these jewels of East Germany on two wheels!
