GBI WE CYCLE
FOR CHARITY

Dear cycling friends,

The Global Biking Initiative (GBI) has established itself as a committed partner of the Rad am Ring event in the “Green Hell”. This challenging 24-hour cycling event takes place on the Grand Prix racetrack and the legendary Nordschleife of the Nürburgring and we regularly take part with various mountain bike and racing bike teams.

Rad am Ring, with its several thousand participants, is not only a major sporting event, but also an opportunity to become part of a passionate community of cyclists.

If you are looking for a challenge, want to experience the breathtaking landscape of the Nürburgring and at the same time become part of a dynamic cycling community, taking part in Rad am Ring with the GBI is just the thing for you.

Ready! Steady! Go, GBI, go!
